HISTORY MILESTONE & ACHIEVEMENTS

Since 1992, VATTI has been focusing on the industry of kitchen, bath & small home appliances, keeping innovation as corporate strategy. It has grown from a local listed company to a world famous corporation.

25

2025

PM2.5 AIR PURIFICATION

integrated air purification system to help eliminate odors and airborne particles, keeping your kitchen atmosphere clean and healthy.

2020

The Construction of New R&D Center Building. The most advanced testing laboratory of Industry.

2018

Sponsor to French National Football (2018.4.1-2019.4.1)

2016

The only Chinese Kitchen Appliances Provider of United Nation Smart Kitchen

2013

National Industrial Design Center (NIDC)

2011

National-recognized Enterprise Technology Center (NETC)

2008

Beijing Olympic Games Exclusive Supplier for Torch & Gas Appliance

2006

Moved to New Factory-Asia's Largest Kitchen Appliance Manufacture Base

2004

Became a Listed Company in China

1992

CERTIFICATE
Quality Management Systems
Certificate

Certificate Number: 00217Q23093R3M
CQM hereby certifies that
Vatti Corporation Limited
Unified Social Credit Code: 91442000618120215D
Distributor: No.1, Huayuan Road, Industry Avenue South, Xiaolan Town, Zhongshan City, Guangdong, P.R.China
Certification Add: No.1, Huayuan Road, Industry Avenue South, Xiaolan Town, Zhongshan City, Guangdong, P.R.China
518416

has implemented and maintains a Quality Management System which fulfils the requirements of the following standards
GB/T 19001-2016/ISO 9001:2015
Quality management systems---Requirements

This certificate is valid to the following product(s)/service:
Design, development, production and sales of domestic gas cooking appliances, gas-electric combine cooker, domestic gas instantaneous water heater, range hood and gas furnace for hot water and heating series products; design, development and sales of electric storage water heater, household sterilization tableware cabinet and dish washer; sales of stainless steel sink, ceramic seal flanges, gas barbecue oven, household electric ranges, microwave oven, electric oven, electric steaming box, electromagnetic range, warming drawer, steam baking machine, domestic solar water heater, air source heat pump water heater, integrated cupboard, wine cooler, coffeemaker, methane energy products (domestic biogas stove) and engineering parts (biogas plastic tube, pipe fittings, biogas purifiers, biogas lamps and related supporting products)
For the subsidiary site and certification scope to the establishment

Release date: 2018-08-05
Effective date: 2017-06-30
Validity date: 2020-07-01
Registration Number: CQM-44-1999-0584-0001

The validity of the certificate can be checked on www.cqm.gov.cn, Certificate Confirmation and CQM website

VATTI 372 PATENTED TECHNOLOGIES

THE HISTORY AUTO CLEAN

2009 year
First Generation
35% Heater Clean

Hardened Grease, Tough to Clean:
Over time, grease carbonizes and hardens.
So stubborn that even high heat can't easily remove it.

2015 year
Second Generation
49% Cold Wash

Cold Water Can't Beat Grease:
Once grease hardens, cold water only rinses the surface. It can't tackle the stubborn buildup deep inside.

Patented Number: ZL201621090306.1

2018 year
Third Generation
60.5% Steam Wash

Steam only melts surface grease:
Once loosened, it sticks and solidifies again. Leaving your hood still dirty.

Patented Number: ZL202010145462.8

2021 year
Fourth Generation
99.1% True Clean

Three-Step Deep Clean:
First, 110 °C steam heat melts the grease. Second, using 80 °C hot water and high pressure wash it away. Finally, 1-minute fan dry leaves the hood fresh and spotless.

Patented Number: ZL201510214644.5

Step 1: 110°C Steam Grease Melting.

Step 2: 80°C High Pressure Hot Water Wash.

Step 3: 60 Sec High Speed Spin Dry.

2025 year
Fifth Generation
99.5% Turbo Wash

Three-Step Deep Clean:
During cleaning, a wave like action expands the range, covering a wider area for a more thorough clean.

Patented Number: ZL201811044634.1 -
Z1201811293915.0

Water Proof Motor

Anti Water, Anti Oil, Anti Rust

Patented Number: CN201520XXX.X

Nano Coating

Oil Resistant & Anti Rust

Patented Number: ZL201620437976.X

V997

- Airflow Rate :2800m3/h
- Air pressure rate: 1200Pa
- BLDC Motor
